Scientific Advisory Board

InterCure's strong scientific foundation and its commitment to provide physicians worldwide with a new class of treatment options for cardiovascular diseases has attracted the support of the world's leading cardiologists and hypertension experts, including past presidents of the American, European and International Societies of Hypertension. The company's scientific advisory board includes:

Henry Black, M.D. (Chicago, IL) – Executive committee member, National Institutes of Health Guidelines Report on Hypertension (JNC VI) and American Heart Association Council on High Blood Pressure Research. Dr. Black is Associate Vice President and Dean for Research at Rush Medical College in Chicago and Chairman Department of Preventive Medicine at Rush Presbyterian St. Luke's Medical Center in Chicago.

Jay N. Cohn, M.D. (Minnesota, MN) – Founder Heart Failure Society of America; Past President, American & International Societies of Hypertension . Dr. Cohn is Professor of Medicine, Cardiovascular Division, Department of Medicine, at the University of Minnesota Medical School in Minneapolis. He also holds a staff appointment at the Veterans Affairs Medical Center in Minneapolis

Ehud Grossman, M.D. (Tel Aviv, Israel) – President, Israeli Society of Hypertension, and a Editorial Board member of *The Journal of Human Hypertension*. Professor Ehud Grossman is the Head of Internal Medicine Department in the Chaim Sheba Medical Center, Tel-Hashomer, Israel and an Associate Professor of Medicine in the Sackler School of Medicine, Tel-Aviv University.

Joseph L. Izzo, M.D. (Buffalo, NY) – Vice chair of Research, Department of Medicine, University of Buffalo and member of the editorial board of the *American Journal of Hypertension* and the *Journal of Clinical Hypertension* .

Giuseppe Mancia, M.D. (Milan, Italy) – Past president of both the International Society of Hypertension and the European Society of Hypertension. Dr. Mancia is Professor of Medicine and Chairman Department of Clinical Medicine, Prevention and Applied Biotechnologies, University of Milan-Bicocca, Italy and Chairman of the Department of Medicine at the S. Gerardo Hospital, Monza, Milan.

Thomas Pickering, M.D., Ph.D, FRCP., (New York, NY) – Past president, Society of Behavioral Medicine, Past Secretary, American Society of Hypertension, and an author of the definitive NIH Guidelines Report on Hypertension (JNC VI). Dr. Pickering is Director of the Integrative and Behavioral Cardiology Program of the Cardiovascular Institute at Mount Sinai School of Medicine, New York.

Michael Weber, M.D. (New York, NY) – Immediate past president, American Society of Hypertension and an editor of the *American Journal of Hypertension*. Dr. Weber is Associate Dean and Professor of Medicine at the State University of New York Health Science Center at Brooklyn, New York.
